### ● Evaluation

1. Attendance & participation	10%
2. Assignments	10%
3. Word quizzes	20%
4. Mid-term exam	30%
5. Final-term exam	30%

1. Since we will learn many new grammars and expressions that are not easy to learn on your own, **your attendance is strongly encouraged**. Class attendance is **mandatory** and there will be no make-up exam without the permission of teacher. Three 10 minutes late attendance will be counted as one absence. More than 3 times of absence will make your final grade one grade down. Any student who is absent from a course for more than 1/3 of the semester will be issued an 'F' regardless of his/her achievement in the course.

2. Homework must be handed in the beginning of the class.

3. There will be a word quiz once a week. Word quiz includes vocabulary & expressions from next chapter. If you are late for a quiz, you will only have the remaining time to finish. You can have a make-up word quiz if you **ask for prior permission** with a really reasonable reason but you would **only get 80% of the result**. (80% is the maximum you can receive.)

4. 5. Mid-term & Final exam include written exams. Written exams will take place twice a semester respectively.
